Enviroswitch Cares Foundation

Dear Ms Joy Kgolane and the entire Enviroswitch Cares Foundation

Thank you, thank you so much for your donation made to the Dignity Packs drive on the 4th of November 2020. Since the beginning, your support for me has been nothing short of extraordinary and your support to this drive is no exception.

Your assistance and aid to this project will ensure a fruitful and most impactful result to the recipients of this drive and it will most definitely ensure that positive change is made towards a community that really needs it.

If there is anything I took away from being part of the Enviroswitch team, it is and will forever be the spirit of giving and it is this very spirit that has resulted in the birth of this project. I am humbled and grateful beyond measure that the same team that instilled this spirit is now part of the legacy it has created.

Once again, thank you so much team, on behalf of the drive and its beneficiaries. Your generosity has inspired me to help others and give back to this wonderful community of Tsimanyane Village that has also given a lot to me.

Stay blessed
Your Switcher Always,

Angela Mante Matlala
