Good afternoon Lesego

SCHOOL IMPROVEMENT

It was really good to meet up with you again. Thank you for taking the time to come to Wychwood Primary and offer your assistance.

As discussed, our school is in urgent need of refurbishing our two existing netball courts. We would like to offer our children the opportunity to develop gross motor skills and netball is an extra mural that the girls would greatly benefit from.

Unfortunately, due to the lack of sufficient funds, these courts have been neglected in the past few years.

We are optimistic that this project will become a reality if undertaken by your company.

We look forward to hearing from you.

Yours in Education

Linda van Schalkwyk
Principal

Mrs. L. VAN SCHALKWYK (PRINCIPAL)
